Dear Benjamin,

**EMPOWERING THE ELDERLY CONFERENCE**

On behalf of the Austrade Kuala Lumpur team, I would like to thank you for your participation in the 'Aged Care: Empowering the Elderly II' conference last month.

Your contribution to the conference, and broader program, helped us achieve our goal of further promoting Australian capability in the aged care sector, and positioning our service providers to meet the future needs of Asia's ageing population.

We trust that your participation succeeded in raising the profile of Living Well Communities and enabled you to gain greater insights into future potential business opportunities across the region.

Ultimately, our success is measured by yours, and we welcome the opportunity to help you progress any business leads or interests, not only in Malaysia, but more broadly across Asia. We encourage you keep us informed about your activities in the region and let us know how we may be able to provide further assistance.

Thanks for your contribution and participation, and we look forward to working with you.

Yours faithfully,

Susan Kahwati
